

New Beginnings Outcomes

(The beginning of a multi-year process of discernment and faithful action.)

Three Shifts in Thinking

1. From making church members to **making disciples** of Christ.
2. From church growth to **community transformation**.
3. From preserving the institution to **preparing “everyday missionaries”** in our community.

Five Areas of Focus

1. **Mission Outreach** through community service.
2. **Reorganization and Streamlining** of our Session, boards and committees and all that they do.
3. **Multi-Generational Interaction** that focuses on making and inspiring disciples through uplifting worship, engaging Sunday school, and a renewed commitment to our Wednesday evening LOGOS ministry.
4. **Publicize Our Church** so that people know who we are and what we're about.
5. **Facilities Use** that ensures we are getting the most out of the space we have and the resources we offer.

Our New Beginnings leaders are: Barbara Graham and Cindy Briner, Jennifer Vansandt and Helen Branstetter, Pam Long and Vicky Larkin, Robby Klim and Becky Schubert, Shannon Roe and Dora Dunnaway, Jill and Ed Hatcher, and Pastor Dave.

*We are but the good and faithful workers. God is the architect,
Christ the master builder, and the Holy Spirit our provider and guide.*
